

Dear Friend,

We thank you for your continued support. This year, we have been successful in improving the lives of more than 11,000 children.

Vibha is constantly flooded with requests for funding child development projects in the most remote villages in India. We look up to you to help us support these projects - to intervene, and create a positive impact in the lives of thousands of children who lack access to basic education, healthcare and nutrition.

~ 3 million children all over India live on the streets. ~

~ 15 million children work as bonded laborers. ~

~ 50% in the age group of 6-14 years have no access to primary education. ~

A monthly contribution of:

- \$15 funds education for 12 children
- \$25 funds education and healthcare for 12 children
- \$75 funds 12 mentally and physically challenged children

Together, we have the opportunity to give these children the gift of health, education and shelter - a right to childhood. Please consider making a generous contribution. Please send the attached donation form along with your contribution to Vibha, 1030 E El Camino Real, #424 Sunnyvale, CA - 94087
